### Front-End-Fee

The Lessee owes a one-off commission on the transaction, payable upon signing the lease.

### Guarantee payments

The Lessor may request a guarantee payment which is refunded to the Lessee after the expiry of the lease contract and after payment of all due amounts

### Lease instalments

Fixed monthly instalments, due at the beginning of each period. The payment term is 5 working days from the due date

### Registration costs

Registration costs (state registration fees for the Vehicle in front of the traffic police authorities, traffic police kit, registration service)

### Insurance costs

In case that lease payments include costs for insurances, they are at the expense of the Lessor under the terms and conditions described in the Lease contract. Current offer provides the following insurance coverage: [Motor casco insurance](#) and [Motor third party liability insurance](#)

### Maintenance costs

In case that Lease instalments include maintenance costs, these costs are stated by type and amount in a separate Attachment. Generally all covered costs are depending on the chosen Maintenance level, as follows:

[Maintenance level I - oils, filters and regular checks](#)

[Maintenance level II - oils, filter, regular checks, brake disks and brake pads](#)

[Maintenance level III - oils, filter, regular checks, brake disks, brake pads, timing belt and belts](#)

Note: Mileage interval of maintenance service is defined by manufacturer's individual prescribed plan of the car

### Tires & related services

In case that lease payments include costs for additional tires, they are at the expense of the Lessor under the terms and conditions described in the Lease contract

### Replacement vehicle

In case that lease payments include the provision of a replacement car in case of damage to any of the Vehicles or in case of need of repair after a road accident and/or insurance event, which impose a stay of this vehicle at a workshop of the Supplier for more than three business days, the Lessor provides the Lessee with a replacement vehicle within 2 (two) business days from the date of receipt of written notification from the client

### Mobility Assistance

The service is limited up to 5 events per year including transportation of the cars from and to the client's office with the following tasks: regular seasonal tires procedures - 2 events, assistance with service / maintenance of the vehicle - 1 event, assistance with inspection / damages, insurance claims - 1 event, other - 1 event

### Mileage Limit

The total mileage on the clock that is included are acceptable in the lease contract. Costs for maintenance % tires are covered only up to this mileage

### Price per kilometre above the maximum permissible run in km

In case that upon expiration of the Contract or upon termination of the Contract, the vehicle has passed more than the specified mileage proportionally of the usage, the Lessee will pay a price per kilometre, according to the predefined conditions in the lease contract

### UBB Insurance Broker

Your insurance coverage is provided with the assistance of UBB Insurance Broker.

We are pleased to inform you, that your benefits are:

- Special insurance conditions for UBB Interlease clients
